M. Zippy Paws blue cooling vest for medium dog.

ZippyPaws Cooling Vest is a high-visibility reflective vest designed for the active dog. The bright blue color and reflective stripes help to keep dogs visible during hunting season, night-time walks, and in low-light conditions.

Plus, the long-lasting cooling polymer crystals, which are sewn directly into the vest, absorb water and slowly evaporate to help keep dogs cool for up to nine hours.

To activate cooling features, simply soak the vest in water for five minutes before use. Squeeze out excess water. For maximum cooling, soak in ice water before use. Lay flat to dry; do not wring.
